

# Resources for caregivers and people with memory concerns

## Organizations

### Aging and Disability Resource Center

Housed within the Wisconsin Department of Health Services, Local Aging and Disability Resource Centers (ADRCs) offer accurate, unbiased information on all aspects of life related to aging or living with a disability. ADRCs provide information on in-home care options, help people apply for programs and benefits, and serve as the access point for publicly funded long-term care.

#### Find your local county ADRC:

[dhs.wisconsin.gov/adrc](http://dhs.wisconsin.gov/adrc)

**Dane County:** [daneadrc.org](http://daneadrc.org) or (608) 240-7400

### Alzheimer's Association Wisconsin Chapter

A nonprofit organization that provides reliable information and care consultation, creates supportive services for families,

increases funding for dementia research, and influences public policy changes.

**Website:** [alz.org/wi](http://alz.org/wi)

**24/7 Helpline:** 1-800-272-3900

### Alzheimer's Foundation of America

A nonprofit organization that provides support, services and education to individuals, families and caregivers affected by Alzheimer's disease and related dementias, including a National Toll-Free Helpline and a National Memory Screening Program.

**Website:** [alzfdn.org](http://alzfdn.org)

**Helpline:** Call 866-232-8484 or text 646-586-5283

### Wisconsin Alzheimer's Disease Research Center

The center supports researchers in their pursuit of answers that will lead to improved diagnosis and care for patients. Contact

for research study volunteer opportunities, brain health and caregiver resources, and community educational events.

**Website:** [adrc.wisc.edu](http://adrc.wisc.edu)

**Phone:** (608) 265-0407

**Email:** [adrc@medicine.wisc.edu](mailto:adrc@medicine.wisc.edu)

### Wisconsin Alzheimer's Institute

The institute works to increase awareness of Alzheimer's disease and related disorders, identify and disseminate strategies to reduce dementia risk, improve access to quality dementia care through its statewide Clinic Network, and develop and support culturally tailored dementia care resources.
