Solomon Carter Fuller Brain Health Brunch

Building awareness of Alzheimer's disease in the African American community

You are invited to this special event.

Highlights include:

- A health & wellness fair
- A free delicious brunch
- Keynote address by Dr. Lisa Barnes
- Precious Memories choir
- Vintage photo booth
- Dr. Solomon Carter Fuller portrayed by actor Esun Morales
- Spectacular raffle (must be present to win)

Hosted by the Wisconsin Alzheimer's Disease Research Center (ADRC) and the African Americans Fighting Alzheimer's in Midlife (AA-FAIM) study, with support from the CLARiTI, WRAP, and PREDICT studies.

Dr. Lisa Barnes

Professor, Rush University Medical Center, neuropsychologist, Rush Alzheimer's Disease Center

Registration is required by March 21, 2024.
