Rock County

Event location: Dr. Daniel Hale Williams Resource Center
To register, contact Karen Tennyson at 608-741-3615

About the Series:

Healthy Living with Mild Cognitive Impairment (MCI) is a support and educational series for people with MCI and their care partners. Classes offer attendees guidance and science-backed strategies for living and coping with a diagnosis of MCI.

Join **Nathaniel Chin, MD**, and **Jennifer McAlister, BA**, from the Wisconsin Alzheimer's Disease Research Center, and guest speakers, to learn more about Mild Cognitive Impairment (MCI). Each program will end with a Q&A session.
