

GET YOUR COVID-19 VACCINE!

The Wisconsin Alzheimer's Disease Research Center and the Wisconsin National Guard are teaming up to provide free COVID-19 vaccines to the public. You can choose to receive either the one-dose Johnson & Johnson/Janssen vaccine or the two-dose Moderna* vaccine.

When: July 31, 2021, 10 a.m.–12:30 p.m.

Where: Penn Park, 2101 Fisher Street in Madison, WI 53713

Who is eligible: Adults aged 18 years and older. The vaccine is free, and proof of insurance, ID, or citizenship is not required.

Pre-registration instructions: Pre-registration is not necessary, but it is appreciated. Individuals who plan to be vaccinated can register in advance at vaccinate.wi.gov.

**If you choose to receive the two-dose Moderna COVID-19 vaccine, you will be asked to return to Penn Park on August 31 to receive your second dose of the vaccine.*

Have questions?

Sheryl L. Henderson, MD, PhD, will be available during the vaccination clinic to answer your questions about the COVID-19 vaccine.

Dr. Henderson is an infectious disease specialist

at UW Health and a professor of pediatrics at the UW School of Medicine and Public Health.

VISIT OUR DRIVE-THRU RESOURCE FAIR!

The COVID-19 vaccination clinic will be held in conjunction with the Wisconsin Alzheimer's Disease Research Center Drive-Thru Resource Fair in Penn Park on July 31, 10 a.m.–12:30 p.m. Stop by for resources about healthy aging and Alzheimer's disease research, music, and a free grilled lunch!
