

You're Invited

FALL COMMUNITY LECTURE:

Blood-Based Biomarkers, Risk and Protective Factors of Alzheimer's Disease

October 12, 5–8 p.m.

This free educational event will offer news about cutting-edge research in Alzheimer's disease and provide information to help people improve brain health and live healthier lives. Join the Wisconsin Alzheimer's Disease Research Center for complimentary refreshments, a healthy aging resource fair, presentations by University of Wisconsin faculty and a Q & A panel with the evening's presenters.

Schedule of Events

5–6 p.m. Resource fair and refreshments
