

# Resources for caregivers and people with memory concerns

## Aging and Disability Resource Center

Housed within the Wisconsin Department of Health Services, Local Aging and Disability Resource Centers (ADRCs) offer accurate, unbiased information on all aspects of life related to aging or living with a disability. ADRCs provide information on in-home care options, help people apply for programs and benefits, and serve as the access point for publicly funded long-term care.

### Find your local county ADRC:

[www.dhs.wisconsin.gov/adrc](http://www.dhs.wisconsin.gov/adrc)

**Dane County:** [www.daneadrc.org](http://www.daneadrc.org) or (608) 240-7400

## Alzheimer's & Dementia Alliance of Wisconsin

A local, nonprofit resource for individuals and families impacted by dementia. Dementia specialists offer individual and family

consultations, caregiver support groups, and education and early-stage enrichment programs.

**Website:** [www.alzwisc.org](http://www.alzwisc.org)

**Phone:** (608) 232-3400

## Alzheimer's Association Wisconsin Chapter

A nonprofit organization that provides reliable information and care consultation, creates supportive services for families, increases funding for dementia research, and influences public policy changes.

**Website:** [www.alz.org/wi](http://www.alz.org/wi)

**24/7 Helpline:** 1-800-272-3900

## Wisconsin Alzheimer's Disease Research Center

The center supports researchers in their pursuit of answers that will lead to improved diagnosis and care for patients. Contact for research study volunteer opportunities, brain health

and caregiver resources, and community educational events.

**Website:** [www.adrc.wisc.edu](http://www.adrc.wisc.edu)

**Phone:** (608) 265-0407

**Email:** [adrc@medicine.wisc.edu](mailto:adrc@medicine.wisc.edu)

## Wisconsin Alzheimer's Institute

The institute works to increase awareness of Alzheimer's disease and related disorders, identify and disseminate strategies to reduce dementia risk, improve access to quality dementia care through its statewide Clinic Network, and develop and support culturally tailored dementia care resources.
